HIGHLIGHT LATS UPGRADE 08/23 (27/11/23)

NEW APPLICATIONS SCANIA G 280

CK1323

SCANIA G 280

The new Scania G 280 represents the pinnacle of heavy vehicle engineering. With an aerodynamic design, it offers power, efficiency and comfort. The ergonomic and technologically advanced cabin ensures an optimal driving experience. The powerful engine and sophisticated controls ensure high performance and efficient fuel consumption. In short, the G 280 combines excellent performance, comfort and technology to meet the modern needs of drivers and businesses.

NEW APPLICATIONS CASE-IH STEIGER

GS1265

CASE-IH STEIGER

The new Case-IH Steiger represents the pinnacle of technology in agricultural tractors. With a robust and innovative design, it offers power, versatility and reliability to meet the challenges of modern agriculture. Featuring advanced technologies, superior cabin comfort and a range of options to suit different needs, the Steiger ensures optimal performance in the fields. With a focus on fuel efficiency and precision features, this tractor positions itself at the top of the agricultural industry, offering professionals a high-level and efficient working experience.

NEW APPLICATIONS MERCEDES ACTROS II

UR103

MERCEDES ACTROS II

The new Mercedes Actros represents the pinnacle of innovation in the heavy truck sector. With a cutting-edge design, it offers power, efficiency and safety. The cabin offers luxurious comfort and advanced technologies for fatigue-free driving. The efficient engine and safety features guarantee high performance and reduced consumption. In short, the Mercedes Actros combines excellent performance, comfort and technological innovation.
