## HIGHLIGHT LASTS UPGRADE 01/24 (22/01/24)

### NEW APPLICATIONS RENAULT AUSTRAL

**AR1780PM**

**Tecneco**  
The independent filters factory

#### RENAULT AUSTRAL

The Renault Austral, a new automotive gem, enchants with its bold and refined design. Sinuous and modern lines blend harmoniously, giving a dynamic aesthetic. The bright accents of the LED headlights and the front grille express a strong personality. Safety is a priority, with advanced technologies and a robust structure. The Renault Austral synthesizes style, technology and safety, promising an unparalleled driving experience.

### NEW APPLICATIONS DUCATI 1098 R CORSA

**BM100**

**Tecneco**  
The recreational applications filters

#### DUCATI 1098 R CORSA

The Ducati 1098 R Corsa embodies the passion for performance on two wheels. With an aggressive design, the motorcycle sports sharp lines and sporty details. The high-performance powertrain delivers exhilarating power, ensuring an exciting ride on the track. The high-quality chassis, combined with the lightweight frame, guarantees agility and precise control. The Ducati 1098 R Corsa is an elegant combination of power and handling, perfect for speed and adrenaline enthusiasts.

### NEW APPLICATIONS JOHN DEERE SERIE-5000

**AR3128**

**Tecneco**  
The heavy duty applications filters

#### JOHN DEERE 5000-SERIE

The new John Deere 5000-series represents excellence in modern agriculture. With a rugged and functional design, these tractors embody reliability and power. Equipped with advanced technologies, they offer precise control and greater operational efficiency. The comfortable cab is designed to improve ergonomics and reduce operator fatigue during long working days. The John Deere 5000 Series stands out for its versatility and optimal performance, ensuring reliable support for contemporary agricultural challenges.
