## HIGHLIGHT LASTS UPGRADE 02/24 (26/02/24)

### NEW APPLICATIONS JEEP AVENGER

**OL1418** **Tecneco**  
The independent filters factory

#### JEEP AVENGER

The new Jeep Avenger is an embodiment of power, versatility and style in the automotive world. Thanks to its bold design and innovative technologies, it is ready to tackle any off-road terrain with safety and control. Inside, luxurious and comfortable, it offers a wide range of advanced connectivity features. Adaptable to every scenario, from wilderness to urban streets, the Jeep Avenger promises to take exploration to the next level.

### NEW APPLICATIONS MV AGUSTA F4 1000 R

**AM147** **Tecneco**  
The recreational application filters

#### MV AGUSTA F4 1000 R

The new MV Agusta F4 1000 R is a superbike that combines speed, power and breathtaking design. Equipped with a very powerful engine and refined chassis, it offers precise and reactive driving. Its aggressive and sinuous design captures attention, while inside it offers advanced technologies and an intuitive dashboard. With the F4 1000 R, every journey becomes an exciting adventure.

### NEW APPLICATIONS DAF TRUCKS CF

**OL1288** **Tecneco**  
The heavy duty application filters

#### DAF TRUCKS CF

The new DAF Trucks CF is a powerful and efficient truck designed to maximize productivity on the roads. With a robust and aerodynamic design, it offers optimal performance and minimal fuel consumption. Inside, the cabin offers comfort and convenience for the driver, while advanced technology and integrated safety systems ensure efficient and safe transport operations. With its reliability and superior performance, the DAF CF is the ideal choice for the challenges of modern freight transport.
