HIGHLIGHT LASTS UPGRADE 04/24 (27/05/24)

NEW APPLICATIONS LAND ROVER RANGE ROVER SPORT

CK2747 **Tecneco**
The independent filters factory

LAND ROVER RANGE ROVER SPORT

The new Land Rover Range Rover Sport is a luxury SUV that blends elegance and power. With its slim and imposing silhouette, it catches attention wherever it goes. Inside, it offers a luxurious driving experience with premium materials and cutting-edge technology. But it is in the heart of the wilderness that it demonstrates its true greatness, with all-wheel drive and exceptional performance. In short, the Range Rover Sport is an icon of style and adventure, designed to take its passengers wherever they want to go, with unrivaled safety and performance.

NEW APPLICATIONS MERCEDES CITAN

CT102 **Tecneco**
The independent filters factory

MERCEDES CITAN

The Mercedes Citan is a compact van that combines versatility and reliability. With its elegant and functional design, it adapts perfectly to urban and commercial transport needs. Inside, it offers comfort and convenience, with enough space for cargo and passengers. With its efficient performance and easy handling in the city, the Citan is the ideal companion for tackling everyday challenges. In summary, the Mercedes Citan is a reliable partner for work and transport, designed to make every journey easier and more efficient.

NEW APPLICATIONS YAMAHA MT-07

AM114 **Tecneco**
The recreational application filters

YAMAHA MT-07

The Yamaha MT-07 is a motorcycle that embodies the pure emotion of riding. With its bold design and unrivaled agility, it captures the eye and offers a dynamic driving experience. Its powerful and responsive engine guarantees extraordinary performance, while the carefully designed ergonomics ensure comfort over long distances. In short, the MT-07 is an ideal option for those seeking authentic thrills on the road, combining style, performance and comfort in one exciting solution.
