HIGHLIGHT LASTS UPGRADE 05/24 (01/07/24)

NEW APPLICATIONS BMW X1

AR1771PMS **Tecneco**
The independent filters factory

BMW X1

The new BMW X1 is a compact luxury SUV that combines elegance, sportiness, and advanced technology. The modern design features a double kidney grille and LED headlights. The spacious interior offers comfort and high-quality materials, with a state-of-the-art iDrive infotainment system. The powertrains include petrol, diesel, and a plug-in hybrid option. The xDrive all-wheel drive is available for safe driving in any condition. The BMW X1 is ideal for those seeking performance, comfort, and technology in a compact SUV.

NEW APPLICATIONS BMW 1200 R NINE T

AM197 **Tecneco**
The recreational application filters

BMW 1200 R NINE T

The new BMW R 1200 R nineT combines retro design with modern innovation. With its 1170cc boxer twin engine, it offers powerful performance and an exhilarating ride. The solid frame and adjustable suspension ensure precise handling and stability. Equipped with an infotainment system featuring Bluetooth connectivity and a digital display, it also includes standard ABS and optional traction control. The R 1200 R nineT is perfect for those seeking a motorcycle that blends classic charm with cutting-edge technology.

NEW APPLICATIONS SCANIA P-SERIES

GS2132E **Tecneco**
The heavy duty application filters

SCANIA P-SERIES

The new Scania P Series is a versatile and robust truck, ideal for urban and regional transport. With an aerodynamic design, it offers energy efficiency and improved visibility. The engines, available in diesel and natural gas versions, ensure reliable and sustainable performance. The cab is comfortable, with ergonomic seats and an intuitive dashboard. Advanced driver assistance technologies, such as the emergency braking system and adaptive cruise control, enhance safety. In summary, the new Scania P Series combines efficiency, reliability, and sustainability with a high level of comfort and safety for the driver.
