HIGHLIGHT LASTS UPGRADE 08/24 (22/10/24)

NEW APPLICATIONS ISUZU D-MAX

AR1732PMS **NISHIBORU**
The number 1 choice

ISUZU D-MAX

The ISUZU D-Max is a robust, versatile, and highly reliable pickup truck, designed to handle both daily work and the most challenging off-road adventures. Equipped with powerful and efficient diesel engines, it ensures excellent performance on any type of terrain. The exterior design, featuring muscular and aggressive lines, is combined with spacious and comfortable interiors, enriched by modern infotainment and driver assistance technologies. With exceptional load and towing capacities, the Isuzu D-Max is the ideal choice for those looking for a practical, sturdy vehicle ready for any challenge.

NEW APPLICATIONS NISSAN QASHQAI III

AR1805PM **NISHIBORU**
The number 1 choice

NISSAN QASHQAI III

The NISSAN Qashqai III is a modern and versatile compact SUV, designed to offer a comfortable and safe driving experience. The third generation of the Qashqai stands out for its elegant and aerodynamic design, featuring sharp lines and refined details. The interior, spacious and technologically advanced, includes next-generation infotainment systems and numerous driver assistance features. Available with efficient hybrid engines, the Qashqai III combines dynamic performance with reduced fuel consumption, making it perfect for both city driving and long journeys.

NEW APPLICATIONS VOLVO S60 III

OL2227E **Tecneco**
The independent filters factory

VOLVO S60 III

The VOLVO S60 III is an elegant and refined sedan that combines luxury, safety, and performance in a modern design. This third generation of the S60 stands out for its clean and sophisticated lines, with an interior that offers high-level comfort, quality finishes, and advanced technologies. Equipped with plug-in hybrid engines, it guarantees excellent energy efficiency without compromising power and driving pleasure. As per Volvo's tradition, the S60 III excels in terms of safety, with a wide range of driver assistance systems and innovative technologies to ensure a safe and relaxing driving experience.
