DUCATI è un'iconica casa motociclistica italiana fondata nel 1926 a Bologna, celebre per moto sportive dal design distintivo e dalle alte prestazioni, come la Panigale, la Monster e la Multistrada. Rinomata per l'eccellenza ingegneristica, combina potenza, innovazione e stile italiano. Sinonimo di passione per la velocità, vanta numerosi successi in Superbike e MotoGP. Ducati si distingue anche per il motore bicilindrico a "L" con distribuzione desmodromica, emblema di affidabilità e prestazioni straordinarie.

DUCATI is an iconic Italian motorcycle manufacturer founded in 1926 in Bologna, renowned for its high-performance, distinctively designed sports bikes such as the Panigale, Monster, and Multistrada. Known for its engineering excellence, it combines power, innovation, and Italian style. A symbol of passion for speed, Ducati boasts numerous successes in Superbike and MotoGP. It is also distinguished by its L-twin engine with desmodromic valve timing, a hallmark of reliability and exceptional performance.
