BMW Motorrad è la divisione di BMW dedicata alla produzione di motociclette, fondata nel 1923 con il celebre modello R32. Sinonimo di innovazione, prestazioni e affidabilità, BMW Motorrad offre un'ampia gamma di moto, dalle touring come la R 1250 GS, perfetta per lunghi viaggi, alle sportive come la S 1000 RR, progettata per massime prestazioni. L'azienda è pioniera nelle tecnologie avanzate, inclusi sistemi di sicurezza come l'ABS e la connettività smart. Con un forte impegno nella mobilità sostenibile, BMW Motorrad sta sviluppando modelli elettrici come la CE 04, dimostrando la sua visione orientata al futuro.

BMW Motorrad is the division of BMW dedicated to motorcycle production, founded in 1923 with the iconic R32 model. Synonymous with innovation, performance, and reliability, BMW Motorrad offers a wide range of motorcycles, from touring models like the R 1250 GS, perfect for long journeys, to sportbikes like the S 1000 RR, designed for maximum performance. The company is a pioneer in advanced technologies, including safety systems such as ABS and smart connectivity. With a strong commitment to sustainable mobility, BMW Motorrad is developing electric models like the CE 04, demonstrating its forward-thinking vision.
