DS Automobiles è un marchio automobilistico francese di lusso nato nel 2014 come divisione premium di Citroën, prima di diventare un brand indipendente all'interno del gruppo Stellantis. Ispirata all'iconica DS del 1955, la casa si distingue per l'eleganza, l'innovazione tecnologica e il design sofisticato. Le sue vetture combinano materiali pregiati, tecnologie all'avanguardia e motorizzazioni elettrificate, incarnando il savoir-faire dell'automobilismo francese. Con modelli come la DS 4, DS 7 e DS 9, il marchio punta a ridefinire il concetto di lusso e raffinatezza nell'industria automobilistica.

DS Automobiles is a French luxury car brand founded in 2014 as the premium division of Citroën before becoming an independent brand within the Stellantis group. Inspired by the iconic 1955 DS, the brand stands out for its elegance, technological innovation, and sophisticated design. Its vehicles combine high-quality materials, cutting-edge technologies, and electrified powertrains, embodying the savoir-faire of French automotive craftsmanship. With models like the DS 4, DS 7, and DS 9, the brand aims to redefine the concept of luxury and refinement in the automotive industry.
