APRILIA è uno dei marchi italiani più riconosciuti nel mondo delle due ruote, nato nel secondo dopoguerra e cresciuto grazie a innovazione e spirito racing. Con numerosi titoli mondiali nel motociclismo, Aprilia è sinonimo di performance e tecnologia. La gamma va da sportive come l'RS 660 a naked potenti come la Tuono V4, entrambe dotate di sistemi elettronici avanzati come l'APRC. Attenta anche alla mobilità urbana, offre scooter agili come l'SR GT, unendo tradizione sportiva e soluzioni moderne.

APRILIA It is one of the most recognized Italian brands in the world of two wheels, born in the post-war period and grown through innovation and a strong racing spirit. With numerous world titles in motorcycle racing, Aprilia is synonymous with performance and technology. Its range includes sporty models like the RS 660 and powerful naked bikes like the Tuono V4, both equipped with advanced electronic systems such as APRC. Also focused on urban mobility, it offers agile scooters like the SR GT, combining racing heritage with modern solutions.
