STELLANTIS è uno dei principali gruppi automobilistici al mondo, nato nel 2021 dalla fusione tra **FCA** e **PSA**. Il gruppo riunisce numerosi marchi iconici come Fiat, Jeep, Peugeot, Citroën, Opel e Alfa Romeo, coprendo un'ampia gamma di veicoli che spaziano dalle city car ai SUV e ai veicoli commerciali. Stellantis si distingue per l'attenzione all'innovazione tecnologica, con forti investimenti nell'elettrificazione e nella guida autonoma, e per una strategia orientata alla sostenibilità, con l'obiettivo di ridurre le emissioni e promuovere una mobilità più efficiente e accessibile a livello globale.

STELLANTIS is one of the world's leading automotive groups, founded in 2021 from the merger of **FCA** and **PSA**. The group brings together numerous iconic brands such as Fiat, Jeep, Peugeot, Citroën, Opel, and Alfa Romeo, covering a wide range of vehicles from city cars to SUVs and commercial vehicles. Stellantis stands out for its focus on technological innovation, with significant investments in electrification and autonomous driving, as well as for a strategy oriented toward sustainability, aiming to reduce emissions and promote more efficient and accessible mobility on a global scale.
