## HIGHLIGHT LAST UPDATE 03/26 (17/04/26)

### NEW APPLICATIONS JEEP GLADIATOR

**OL2239E** **Tecneco**<sup>®</sup>  
The independent filters factory

#### JEEP GLADIATOR

The Jeep Gladiator is a pickup truck that combines the brand's legendary off-road capabilities with great practicality. Based on the Wrangler, it retains the iconic design with rugged lines and modern details. It is available with powerful engines and four-wheel drive, offering excellent performance both on the road and on more challenging terrains. The rear cargo bed and strong towing capacity also make it suitable for work. Inside, it features updated technology and functional solutions, while still maintaining Jeep's adventurous spirit. In summary, it is a versatile vehicle, perfect for those looking for a mix of utility and fun.

### NEW APPLICATIONS HONDA XRV-SERIES

**AM233** **Tecneco**<sup>®</sup>  
The recreational applications filters

#### HONDA HR-V

The Honda XR-V (also known as the HR-V in some markets) is a compact crossover designed for the city but also suitable for travel. It stands out for its modern design and sleek lines, with good ground clearance that ensures comfort and practicality. It offers efficient powertrains, often hybrid, providing low fuel consumption and a smooth driving experience. The interior is spacious and versatile, with smart cargo solutions and intuitive infotainment technology. In summary, the XR-V is ideal for those looking for a reliable car that is fuel-efficient and comfortable for everyday use.

### NEW APPLICATIONS MAN TRUCK TGS

**AR3204** **Tecneco**<sup>®</sup>  
The heavy duty applications filters

#### MAN TRUCK TGS

The MAN TGS is a truck designed for heavy-duty work and professional use, especially in the construction and medium-distance transport sectors. It stands out for its robust structure, high load capacity, and reliability even in the most demanding conditions. It is equipped with powerful and efficient engines, designed to ensure strong performance and controlled fuel consumption. The cab offers comfort and functionality, with advanced technologies for safety and driver assistance. In summary, the MAN TGS is a versatile and durable vehicle, ideal for those seeking solid performance and long-term reliability.
