HIGHLIGHTS LAST UPDATED 05/26 (23/06/26)

NEW BMW 6 SERIES GT APPLICATIONS

IN1078

BMW SERIE 6 GT

The BMW 6 Series Gran Turismo is a premium sedan with an elegant and dynamic design, designed for those seeking maximum comfort on long journeys without sacrificing brilliant performance. Characterized by sporty lines, a spacious interior, and high-quality finishes, it offers advanced safety and infotainment technologies. Thanks to its efficient engines and refined ride quality, the 6 Series GT represents the perfect balance of luxury, versatility, and driving pleasure.

APPLICATIONS NEW HONDA 600 FJS SILVER

AM248

HONDA 600 FJS SILVER WING

The Honda FJS 600 Silver Wing is a versatile and reliable grand touring scooter, designed to offer comfort and practicality for both urban commuting and longer trips. Equipped with a 600cc twin-cylinder engine, it guarantees lively performance, smoothness, and low fuel consumption. The comfortable riding position, spacious under-seat storage, and good wind protection make it an ideal choice for those seeking a scooter that combines performance, comfort, and reliability.

APPLICATIONS FOR THE NEW IVECO EURO CARGO IV

OB106

IVECO EURO CARGO IV

The Iveco Eurocargo IV is a versatile and robust truck, renowned for its reliability and adaptability to a wide range of professional applications. Designed for freight transport on urban and suburban routes, it offers an excellent balance of performance, driving comfort, and operational efficiency. Its ergonomic cabin, excellent maneuverability, and solid construction make it an ideal solution for businesses and operators requiring a practical, durable vehicle suited to the demands of everyday work.
